

<Hatchbacks>

- **Perodua Axia:** Compact, fuel-efficient city car.
 - Price: RM 22,000 - RM 49,500 (depending on variant)
 - Engine: 998cc, 3-cylinder petrol
 - Power: 67 hp
 - Transmission: 5-speed manual or CVT (Continuously Variable Transmission)
 - Key Features:
 - Compact size, excellent for city driving and parking.
 - Fuel-efficient engine.
 - Available with safety features like ABS (Anti-lock Braking System) and EBD (Electronic Brake-force Distribution) in higher variants.
 - Modern infotainment system in higher trims.
 - Affordable entry-level option.

- **Perodua Myvi:** Popular, spacious compact hatchback.
 - Price: RM 46,500 - RM 59,900 (depending on variant)
 - Engine Options: 1329cc (94 hp) or 1496cc (102 hp) 4-cylinder petrol
 - Transmission: CVT (Continuously Variable Transmission) for all variants
 - Key Features:
 - Spacious interior for a compact hatchback.
 - Practical and versatile with foldable rear seats.
 - Higher variants come with advanced safety features like ASA (Advanced Safety Assist) which includes Pre-collision Warning, Pre-collision Braking, Pedal Misoperation Control, Front Departure Alert, and Lane Departure Warning.
 - Modern infotainment system with touchscreen.
 - Easy to maneuver in urban environments.

- **Proton Iriz:** Compact hatchback with sporty handling.
 - **Price:** (Likely in the range of RM 40,000 - RM 55,000, but specific 2025 pricing may vary)
 - **Engine:** 1.3L or 1.6L 4-cylinder petrol
 - **Transmission:** 5-speed manual or CVT (Continuously Variable Transmission)
 - **Key Features:** A **compact** hatchback that offers a bit more sporty handling and features compared to some of its competitors in the segment.

- **Honda City Hatchback:** Spacious and practical hatchback version of the City.
 - **Price:** (Likely in the range of RM 80,000 - RM 110,000, depending on variant)
 - **Engine:** 1.5L 4-cylinder petrol or 1.5L e:HEV hybrid
 - **Transmission:** CVT (petrol) or e-CVT (hybrid)
 - **Key Features:** Spacious interior and comfortable ride, available with Honda SENSING safety features in higher variants. Good fuel efficiency, especially the hybrid model.

- **Toyota Yaris:** Subcompact hatchback, reliable and fuel-efficient.
 - **Price:** RM 70,490 - RM 99,600
 - **Engine:** 1.5L 4-cylinder petrol
 - **Power:** 106 hp
 - **Torque:** 140 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** A **subcompact** hatchback that offers a balance of fuel efficiency, practicality, and Toyota's reputation for reliability.

- **Mazda 2 Hatchback:** Stylish with engaging driving dynamics.
 - **Price:** Approximately RM 108,000 - RM 118,000 (depending on variant)
 - **Engine:** 1.5L 4-cylinder petrol
 - **Power:** 114 hp
 - **Torque:** 149 Nm
 - **Transmission:** 6-speed automatic
 - **Key Features:** Stylish design, engaging driving dynamics, premium interior feel, G-Vectoring Control (GVC), MZD Connect infotainment system.

<Sedans>

- **Perodua Bezza:** Subcompact sedan, fuel-efficient with good boot space, good value for money.
 - Price: RM 34,580 - RM 49,980 (depending on variant)
 - Engine Options: 998cc (67 hp) or 1329cc (94 hp) 4-cylinder petrol
 - Transmission: 5-speed manual or 4-speed automatic
 - Key Features:
 - Subcompact sedan with a focus on fuel efficiency.
 - Decent boot space for its class.
 - Available with features like keyless entry and reverse camera in higher variants.
 - Safety features include ABS and EBD.
- **Proton Saga:** Affordable and reliable budget sedan.
 - Price: RM 34,800 - RM 46,312 (depending on variant)
 - Engine: 1332cc, 4-cylinder petrol
 - Power: 94 hp
 - Torque: 120 Nm at 4000 RPM
 - Transmission: 5-speed manual or 4-speed automatic
 - Key Features:
 - Affordable sedan with good value.
 - Available with LED Daytime Running Lights in higher variants.
 - Safety features include ABS, EBD, and Electronic Stability Control (ESC) in some variants.
 - 7-inch touchscreen infotainment system with smartphone connectivity in Premium variants.
 - Decent boot space for a budget sedan.
- **Proton Persona:** B-segment sedan, comfortable and good value.
 - **Price:** (Likely in the range of RM 50,000 - RM 60,000)
 - **Engine:** 1.6L 4-cylinder petrol
 - **Power:** 109 hp
 - **Torque:** 150 Nm at 4000 RPM
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Spacious interior for its class, comfortable suspension, decent boot space, available with features like touchscreen infotainment, reverse camera, and safety features including ABS, EBD, and ESC in higher variants. Often seen as a practical and affordable option.

- **Proton S70:** C-segment sedan, offering more space and features.
 - **Price:** (Likely in the range of RM 70,000 - RM 90,000)
 - **Engine:** Expected to be a 1.5L Turbocharged 3-cylinder petrol
 - **Power:** Expected to be around 150 hp
 - **Torque:** Expected to be around 226 Nm
 - **Transmission:** 7-speed dual-clutch automatic
 - **Key Features:** Larger and more premium than the Persona, expected to offer features like a larger touchscreen infotainment system, digital instrument cluster, advanced safety features (possibly including ADAS), and a more powerful turbocharged engine. Aims to provide a more sophisticated driving experience and cater to buyers looking for a C-segment sedan with modern amenities.
- **Honda City Sedan:** Popular B-segment sedan, spacious and reliable.
 - Price: RM 84,900 - RM 111,900 (depending on variant, including hybrid)
 - Engine Options: 1498cc 4-cylinder petrol (119 hp) or 1.5L e:HEV hybrid (97 hp engine + electric motor)
 - Transmission: CVT (Continuously Variable Transmission) for petrol variants, e-CVT for hybrid
 - Key Features:
 - Spacious interior and comfortable ride.
 - Available in sedan and hatchback versions.
 - Higher variants offer Honda SENSING suite of safety features, including Adaptive Cruise Control, Lane Keeping Assist System, and Collision Mitigation Braking System.
 - Modern infotainment system with Apple CarPlay and Android Auto.
 - Good fuel efficiency, especially the hybrid model.
- **Honda Civic:** C-segment sedan, sporty handling and modern features.
 - **Price:** (Likely in the range of RM 130,000 - RM 160,000)
 - **Engine:** Likely a 1.5L Turbocharged 4-cylinder petrol
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** C-segment sedan known for its sporty handling, modern features, and reputation for reliability.

- **Toyota Vios:** B-segment sedan, reliable with strong resale value.
 - Price: RM 71,091 - RM 95,500 (depending on variant)
 - Engine: 1496cc, 4-cylinder petrol
 - Power: 106 hp
 - Transmission: CVT (Continuously Variable Transmission)
 - Key Features:
 - Known for its reliability and strong resale value.
 - Comfortable and practical for daily use.
 - Available with safety features like VSC (Vehicle Stability Control) and HSA (Hill Start Assist).
 - Modern infotainment system with touchscreen.
 - Good balance of performance and fuel efficiency
- **Nissan Almera:** B-segment sedan with spacious rear legroom and a turbocharged engine.
 - **Price:** Approximately RM 67,000 - RM 91,000 (depending on variant)
 - **Engine:** 1.0L Turbocharged 3-cylinder petrol
 - **Power:** 100 hp
 - **Torque:** 152 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Spacious rear legroom, fuel-efficient turbocharged engine, Nissan Safety Shield technologies in higher variants (including Intelligent Forward Collision Warning and Intelligent Emergency Braking), modern infotainment system.
- **Mazda 3 Sedan:** Sophisticated design and premium interior.
 - **Price:** Approximately RM 138,000 - RM 168,000 (depending on variant)
 - **Engine Options:** 1.5L or 2.0L 4-cylinder petrol
 - **Power:** 118 hp (1.5L) / 162 hp (2.0L)
 - **Torque:** 153 Nm (1.5L) / 213 Nm (2.0L)
 - **Transmission:** 6-speed automatic
 - **Key Features:** Sophisticated design (both sedan and hatchback), premium interior materials, excellent handling, advanced safety features including i-Activsense.

- **Mercedes-Benz C-Class (W206):** Luxury sedan with high-quality interior and advanced tech.
 - **Price:** Approximately RM 290,000 - RM 350,000+ (depending on variant)
 - **Engine Options:** 1.5L or 2.0L Turbocharged 4-cylinder petrol (with mild hybrid technology)
 - **Power:** Varies by model (e.g., C 200, C 300)
 - **Transmission:** 9G-TRONIC automatic
 - **Key Features:** Luxury sedan, elegant design, high-quality interior, MBUX infotainment system, advanced driver assistance systems.

- **BMW 3 Series (G20):** Premium sports sedan with excellent driving dynamics.
 - **Price:** Approximately RM 260,000 - RM 320,000+ (depending on variant)
 - **Engine Options:** 2.0L Turbocharged 4-cylinder petrol (320i, 330i)
 - **Power:** 184 hp (320i) / 258 hp (330i)
 - **Torque:** 300 Nm (320i) / 400 Nm (330i)
 - **Transmission:** 8-speed Steptronic automatic
 - **Key Features:** Premium sports sedan, excellent driving dynamics, luxurious interior, advanced technology features (BMW iDrive, digital cockpit), various trim levels including M Sport.

- **Mercedes-Benz E-Class (W214) :** Executive luxury sedan with cutting-edge technology.
 - **Price:** Approximately RM 390,000 - RM 480,000+ (depending on variant)
 - **Engine Options:** Various turbocharged petrol and diesel engines (with mild hybrid or plug-in hybrid options)
 - **Transmission:** 9G-TRONIC automatic
 - **Key Features:** Executive luxury sedan, sophisticated interior, comfortable ride, latest Mercedes-Benz technology and safety features.

- **BMW 5 Series (G30)** : Executive sedan, luxurious and spacious.
 - **Price:** Approximately RM 380,000 - RM 450,000+ (depending on variant)
 - **Engine Options:** 2.0L or 3.0L Turbocharged petrol/diesel (depending on variant)
 - **Power:** Varies significantly by model (e.g., 520i, 530i, 530e plug-in hybrid)
 - **Transmission:** 8-speed Steptronic automatic
 - **Key Features:** Executive sedan, luxurious and spacious interior, cutting-edge technology, comfortable ride, powerful engine options including plug-in hybrid.
- **Hyundai Elantra:** C-segment sedan with a stylish design.
 - **Price:** Approximately RM 109,888 - RM 129,888
 - **Engine:** 1.6L 4-cylinder petrol
 - **Power:** 123 hp
 - **Torque:** 154 Nm
 - **Transmission:** CVT (Intelligent Variable Transmission)
 - **Key Features:** C-segment sedan, stylish design, comfortable interior, good features.
- **Toyota Camry:** D-segment sedan, comfortable and refined.
 - **Price:** Approximately RM 219,800
 - **Engine:** 2.5L 4-cylinder petrol
 - **Power:** 209 hp
 - **Torque:** 253 Nm
 - **Transmission:** 8-speed automatic
 - **Key Features:** D-segment sedan, comfortable and refined, known for reliability.
- **Audi A3 Sedan** : A compact luxury sedan with cutting-edge tech and premium appeal.
 - **Price:** RM 179,900 – RM 348,162
 - **Engine Type and Size:** 2.0L TFSI inline-4 turbocharged
 - **Power Output:** 190 hp
 - **Torque Output:** 320 Nm
 - **Transmission Type:** 7-speed S tronic dual-clutch
 - **Key Features:** Audi virtual cockpit, MMI touch infotainment, adaptive cruise control, lane assist.

<SUV (Sport Utility Vehicles)>

- **Perodua Ativa:** Compact SUV with a higher driving position and modern features.
 - **Price:** RM 62,500 - RM 73,400
 - **Engine:** 1.0L Turbocharged 3-cylinder petrol
 - **Power:** 98 hp
 - **Torque:** 140 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Compact SUV, turbocharged engine, modern features, good fuel efficiency.

- **Nissan X-Trail:** 5 or 7 seater SUV, comfortable ride with optional 4x4.
 - **Price:** Approximately RM 139,900 - RM 169,900 (depending on variant)
 - **Engine:** 2.0L or 2.5L 4-cylinder petrol
 - **Power:** 144 hp (2.0L) / 169 hp (2.5L)
 - **Torque:** 200 Nm (2.0L) / 233 Nm (2.5L)
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** 5 or 7 seater SUV, comfortable ride, intelligent 4x4 system available, Nissan Intelligent Mobility features, panoramic sunroof in higher trims.

- **Proton X50:** Subcompact SUV, stylish design and modern features.
 - **Price:** RM 86,300 - RM 113,300
 - **Engine Options:** 1.5L Turbocharged 3-cylinder petrol (various outputs depending on variant)
 - **Transmission:** 7-speed dual-clutch automatic
 - **Key Features:** Subcompact SUV, stylish design and modern features, gained popularity for its performance and technology.
- **Proton X70:** Compact SUV, spacious and comfortable.
 - **Price:** RM 94,800 - RM 128,800
 - **Engine:** 1.5L Turbocharged 3-cylinder petrol or 1.8L Turbocharged 4-cylinder petrol (depending on variant)

- **Transmission:** 7-speed dual-clutch automatic (1.5L) or 6-speed automatic (1.8L)
 - **Key Features:** A compact SUV offering a spacious interior, a comfortable ride, and various features, making it a strong contender in its class.
- **Proton X90:** A larger three-row SUV with premium features.
 - **Price:** RM 123,800 - RM 152,800
 - **Engine:** 1.5L Turbocharged 3-cylinder petrol with mild-hybrid system
 - **Transmission:** 7-speed dual-clutch automatic
 - **Key Features:** Larger SUV, offering three rows of seating and more premium features, positioned as the flagship SUV in Proton's lineup.
- **Honda HR-V:** Subcompact SUV, stylish and practical.
 - **Price:** RM 115,900 - RM 141,900
 - **Engine Options:** 1.5L 4-cylinder petrol or 1.5L e:HEV hybrid
 - **Transmission:** CVT (petrol) or e-CVT (hybrid)
 - **Key Features:** A subcompact SUV that offers a stylish design, a practical interior, and Honda's reputation for reliability. The hybrid variant offers excellent fuel efficiency.
- **Honda CR-V:** C-segment SUV, spacious and comfortable with safety features.
 - **Price:** (Likely in the range of RM 160,000 - RM 190,000 for base models, being a C-segment SUV, but specific 2025 pricing may vary)
 - **Engine:** Likely a 1.5L Turbocharged 4-cylinder petrol
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Popular C-segment SUV offering a spacious interior, comfortable ride, and a range of safety and technology features.
- **Honda WR-V:** Subcompact SUV, more affordable entry into Honda's SUV lineup.
 - **Price:** RM 89,900 - RM 107,900
 - **Engine:** 1.5L 4-cylinder petrol
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Subcompact SUV positioned below the HR-V, offering a more affordable entry into Honda's SUV lineup.
- **Toyota Corolla Cross:** C-segment SUV, comfortable and available in hybrid.
 - **Price:** RM 130,400 - RM 142,000
 - **Engine Options:** 1.8L 4-cylinder petrol or 1.8L Hybrid
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** C-segment SUV that offers a comfortable ride, spacious interior, and Toyota's reliability. Available in both petrol and hybrid versions.
- **Mazda CX-5:** Popular C-segment SUV with stylish design and refined interior.
 - **Price:** Approximately RM 144,000 - RM 186,000 (depending on variant)
 - **Engine Options:** 2.0L or 2.5L 4-cylinder petrol

- **Power:** 162 hp (2.0L) / 192 hp (2.5L)
- **Torque:** 213 Nm (2.0L) / 258 Nm (2.5L)
- **Transmission:** 6-speed automatic
- **Key Features:** Popular SUV, stylish Kodo design, comfortable and refined interior, good balance of performance and fuel efficiency, i-Activsense safety suite.
- **Hyundai Kona:** Compact SUV, bold design, available in petrol and electric.
 - **Price:** Approximately RM 119,888 - RM 156,888 (including electric variant)
 - **Engine Options:** 1.6L Turbocharged petrol or Electric
 - **Power:** 198 hp (petrol) / Varies (electric)
 - **Torque:** 265 Nm (petrol) / Varies (electric)
 - **Transmission:** 7-speed DCT (petrol) / Single-speed reduction gear (electric)
 - **Key Features:** Compact SUV, bold design, available in petrol and fully electric versions, good features.
- **Hyundai Tucson:** C-segment SUV, modern design and good performance.
 - **Price:** Approximately RM 158,888 - RM 195,888
 - **Engine:** 1.6L Turbocharged petrol
 - **Power:** 180 hp
 - **Torque:** 265 Nm
 - **Transmission:** 7-speed DCT
 - **Key Features:** C-segment SUV, modern design, spacious interior, good performance.
- **Hyundai Palisade:** Large 7/8 seater luxury SUV.
 - **Price:** Approximately RM 328,888
 - **Engine:** 3.8L V6 petrol
 - **Power:** 291 hp
 - **Torque:** 355 Nm
 - **Transmission:** 8-speed automatic
 - **Key Features:** Large 7/8 seater SUV, luxurious and spacious, comfortable for long journeys, well-equipped.
- **Toyota Harrier:** Premium urban SUV with a stylish design.
 - **Price:** Approximately RM 274,000 - RM 277,000
 - **Engine:** 2.0L 4-cylinder petrol
 - **Power:** 173 hp
 - **Torque:** 203 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Premium urban SUV, stylish design, comfortable interior.

- **Toyota Fortuner:** Rugged 7-seater SUV, capable off-road.
 - **Price:** (Price range varies significantly based on variants, typically from RM 170,000 to RM 220,000+)
 - **Engine Options:** 2.4L or 2.8L Diesel
 - **Transmission:** 6-speed automatic
 - **Key Features:** Rugged 7-seater SUV, capable off-road, popular for its durability.
- **Kia Sportage:** Popular SUV with a stylish design and spacious interior.
 - **Price:** Approximately RM 155,888 - RM 185,888
 - **Engine:** 2.0L 4-cylinder petrol
 - **Power:** 154 hp
 - **Torque:** 196 Nm
 - **Transmission:** 6-speed automatic
 - **Key Features:** Popular SUV, stylish design, spacious interior, good safety features.
- **Mercedes-Benz GLA (H247) :** Compact luxury SUV, stylish and versatile.
 - **Price:** Approximately RM 240,000 - RM 280,000+ (depending on variant)
 - **Engine:** 1.3L or 2.0L Turbocharged 4-cylinder petrol
 - **Power:** Varies by model (e.g., GLA 200, GLA 250)
 - **Transmission:** 7G-DCT or 8G-DCT automatic (depending on model)
 - **Key Features:** Compact luxury SUV, stylish design, practical and versatile, MBUX infotainment system.
- **BMW X1:** Compact luxury SUV with modern design and agile handling.
 - **Price:** Approximately RM 220,000 - RM 250,000+ (depending on variant)
 - **Engine:** 1.5L or 2.0L Turbocharged 3/4-cylinder petrol
 - **Power:** Varies by model (e.g., sDrive18i, sDrive20i)
 - **Transmission:** 7-speed dual-clutch automatic
 - **Key Features:** Compact luxury SUV, modern design, practical interior, BMW iDrive system, agile handling.

- **Mitsubishi Outlander:** 7-seater SUV, powerful
 - **Price:** Approximately RM 137,888 (2.0L) / RM 152,888 (2.4L)
 - **Engine Options:** 2.0L or 2.4L 4-cylinder petrol
 - **Power:** 145 hp (2.0L) / 167 hp (2.4L)
 - **Torque:** 196 Nm (2.0L) / 222 Nm (2.4L)
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** 7-seater SUV, comfortable ride, all-wheel control system, spacious interior.

<MPVs (Multi-Purpose Vehicles)>

- **Perodua Alza:** Compact 7-seater MPV, fuel-efficient and practical.
 - Price: RM 62,500 - RM 75,500 (depending on variant)
 - Engine: 1.5L 4-cylinder petrol (Dual VVT-i)
 - Power: 104 hp
 - Torque: 138 Nm
 - Transmission: CVT (Continuously Variable Transmission)
 - Key Features: Seven seats, making it suitable for larger families.
- **Proton Exora:** Affordable 7-seater MPV, practical for families.
 - **Price:** Approximately RM 62,888 - RM 69,888
 - **Engine:** 1.6L 4-cylinder petrol
 - **Power:** 125 hp
 - **Torque:** 150 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Affordable 7-seater MPV, practical for families.
- **Nissan Serena:** 7/8 seater MPV with a comfortable and spacious interior.
 - **Price:** Approximately RM 149,888 - RM 162,888 (depending on variant)
 - **Engine:** 2.0L 4-cylinder petrol
 - **Power:** 150 hp
 - **Torque:** 200 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** 7/8 seater MPV, dual back door, comfortable and spacious interior, ProPILOT assist technology in premium variants, multiple USB ports.

- **Toyota Veloz:** Compact 7-seater MPV, practical for families.
 - **Price:** Approximately RM 95,000
 - **Engine:** 1.5L 4-cylinder petrol
 - **Power:** 105 hp
 - **Torque:** 138 Nm
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Compact 7-seater MPV, offering a practical option for families needing extra space.
- **Mitsubishi Xpander:** 7-seater MPV with a dynamic design and good ground clearance.
 - **Price:** Approximately RM 99,980 - RM 109,980 (depending on variant)
 - **Engine:** 1.5L 4-cylinder petrol
 - **Power:** 105 hp
 - **Torque:** 141 Nm
 - **Transmission:** 4-speed automatic
 - **Key Features:** 7-seater MPV, spacious interior, dynamic shield front design, good ground clearance, practical for families.
- **Kia Carnival:** A large and luxurious MPV available in 7, 8, or even 11-seater configurations, offering significant space for passengers and luggage. It's characterised by its comfortable ride and the convenience of sliding doors, often power-operated in higher trims.
 - **Price:** (Price range varies based on the number of seats and trim level, typically from RM 199,840 to RM 261,229 as of late 2024/early 2025)
 - **Engine:** 2.2L 4-cylinder Turbo Diesel (Smartstream D2.2)
 - **Power:** 199 hp at 3,800 rpm
 - **Torque:** 440 Nm at 1,750 - 2,750 rpm
 - **Transmission:** 8-speed automatic
 - **Key Features:** Available in 7, 8, and 11-seater configurations to suit different needs. Dual power sliding doors for easy access to the rear.
- **Toyota Innova Zenix:** A more premium and modern MPV from Toyota, offering a comfortable ride, spacious interior, and potentially hybrid powertrain options.
 - **Price:** Expected to be in the range of RM 165,000 - RM 220,000 depending on the variant (including hybrid).
 - **Engine Options:** 2.0L Naturally Aspirated petrol or 2.0L Hybrid
 - **Transmission:** CVT (for both petrol and hybrid)
 - **Key Features:** Modern design, spacious 7/8 seater configuration, comfortable ride, potentially fuel-efficient hybrid option, advanced safety features.
- **Hyundai Staria:** A futuristic-looking and spacious MPV offering a premium and comfortable experience for passengers, with various seating configurations.

- Price: Starting from approximately RM 358,888
- Engine: 2.2L Diesel
- Transmission: 8-speed automatic
- Key Features: Unique and modern design, spacious and versatile interior (7 or 11 seater options), comfortable ride, multiple USB ports, and convenience features.

<Pickup Trucks>

- **Toyota Hilux:** Popular pickup truck known for toughness and reliability.
 - **Price:** (Price range varies significantly based on variants, typically from RM 90,000 to RM 150,000+)
 - **Engine Options:** 2.4L or 2.8L Diesel
 - **Transmission:** 6-speed manual or 6-speed automatic
 - **Key Features:** Popular pickup truck known for its toughness, reliability, and off-road capabilities. Various trim levels for different needs (workhorse to lifestyle).
- **Mitsubishi Triton:** Robust pickup truck with a Super Select 4WD system.
 - **Price:** (Price range varies significantly based on variants, typically from RM 80,000 to RM 140,000+)
 - **Engine Options:** 2.4L Diesel (various power outputs depending on the model)
 - **Transmission:** 6-speed manual or 6-speed automatic
 - **Key Features:** Robust pickup truck, Super Select 4WD system, durable and reliable, various trim levels for different needs (workhorse to lifestyle).
- **Nissan Navara:** A pickup truck that offers a blend of comfort and capability, with a reputation for a more refined ride compared to some of its competitors.
 - Price: (Price range varies significantly based on variants, typically from RM 90,000 to RM 145,000+)
 - Engine Option: 2.5L Diesel (various power outputs depending on the model)
 - Transmission: 6-speed manual or 7-speed automatic
 - Key Features: Double Cab configuration primarily, comfortable suspension setup (especially the multi-link rear suspension in some variants), modern features, Nissan Intelligent Mobility technologies in higher trims.

- Isuzu D-Max: A rugged and reliable pickup truck known for its fuel efficiency and durability, often favored for both work and leisure.
 - **Price:** (Price range varies significantly based on variants, typically from RM 85,000 to RM 145,000+)
 - **Engine Options:** 1.9L Ddi Blue Power Diesel, 3.0L Ddi Blue Power Diesel
 - **Transmission:** 6-speed manual or 6-speed automatic
 - **Key Features:** Available in different cab types, good fuel economy, robust build quality, decent off-road capabilities in 4x4 models, modern infotainment in higher trims.
- Ford Ranger: A capable and versatile pickup truck known for its strong performance, modern features, and off-road prowess in higher trims like the Raptor.
 - **Price:** (Price range varies significantly based on variants, typically from RM 90,000 to RM 260,000+ for the Raptor)
 - **Engine Options:** 2.0L Single Turbo Diesel, 2.0L Bi-Turbo Diesel, 3.0L V6 Diesel (depending on the variant)
 - **Transmission:** 6-speed manual or 6-speed/10-speed automatic (depending on the variant)
 - **Key Features:** Available in various configurations (Single Cab, Double Cab), advanced safety features, modern infotainment system, powerful engine options, especially the Raptor with Fox Racing suspension.

<Electric Vehicles (EVs)>

- **Hyundai Kona Electric:**
 - **Price:** Approximately RM 156,888 (for the e-Max variant, pricing can vary based on battery size and features).
 - **Battery Capacity:** Typically offered with different battery options, such as 39.2 kWh or 64 kWh.
 - **Range (WLTP):** Up to around 305 km (39.2 kWh) or 482 km (64 kWh) on a single charge. Real-world range can vary.
 - **Power:** Around 136 PS (39.2 kWh) or 204 PS (64 kWh).
 - **Torque:** Around 395 Nm.
 - **Key Features:** Compact electric SUV, stylish design, decent range for urban and intercity travel, quick charging capabilities, modern infotainment system, Hyundai SmartSense safety features.

- **BMW iX3:**
 - **Price:** Approximately RM 320,000 - RM 340,000 (depending on specifications).
 - **Battery Capacity:** 80 kWh.
 - **Range (WLTP):** Up to around 460 km on a single charge.
 - **Power:** 286 hp.
 - **Torque:** 400 Nm.
 - **Key Features:** Fully electric SUV from BMW, luxurious interior, comfortable ride, BMW IconicSounds Electric, advanced driver assistance systems, fast charging capability.
- **BMW i4:**
 - **Price:** Approximately RM 350,000 - RM 400,000+ (depending on variant, e.g., eDrive40, M50).
 - **Battery Capacity:** 80.7 kWh (eDrive40) or 83.9 kWh (M50).
 - **Range (WLTP):** Up to around 590 km (eDrive40) or 510 km (M50) on a single charge.
 - **Power:** 340 hp (eDrive40) or 544 hp (M50).
 - **Torque:** 430 Nm (eDrive40) or 795 Nm (M50).
 - **Key Features:** Fully electric Gran Coupé, sleek and sporty design, high-performance options (M50), luxurious interior, BMW Curved Display, advanced connectivity and driver assistance.
- **Mercedes-Benz EQA:**
 - **Price:** Approximately RM 280,000 - RM 300,000 (depending on the specific model, e.g., EQA 250).
 - **Battery Capacity:** 66.5 kWh.
 - **Range (WLTP):** Up to around 426 km on a single charge.
 - **Power:** 190 hp.
 - **Torque:** 375 Nm.
 - **Key Features:** Compact electric SUV from Mercedes-Benz, stylish design, comfortable interior, MBUX infotainment system with EV-specific features, comprehensive safety systems.

- **Mercedes-Benz EQB:**

- **Price:** Likely in the range of RM 320,000 - RM 350,000 (as a 7-seater electric SUV).
- **Battery Capacity:** Around 66.5 kWh.
- **Range (WLTP):** Expected to be similar to or slightly less than the EQA, around 370-420 km.
- **Power:** Varies by model (e.g., EQB 250, EQB 350).
- **Torque:** Varies by model.
- **Key Features:** Compact 7-seater electric SUV, practical for families, Mercedes-Benz luxury and technology, MBUX system with EV enhancements.

- **Volvo XC40 Recharge Pure Electric:**

- **Price:** Approximately RM 260,000 - RM 280,000 (for the single motor variant).
- **Battery Capacity:** 69 kWh.
- **Range (WLTP):** Up to around 400 km on a single charge (single motor).
- **Power:** 231 hp (single motor) or 408 hp (twin motor).
- **Torque:** 330 Nm (single motor) or 660 Nm (twin motor).
- **Key Features:** Compact electric SUV with Volvo's emphasis on safety and Scandinavian design, Google built-in infotainment system, powerful acceleration in twin motor versions.

- **Volvo C40 Recharge Pure Electric:**

- **Price:** Likely similar to or slightly higher than the XC40 Recharge.
- **Battery Capacity:** 69 kWh.
- **Range (WLTP):** Similar to the XC40 Recharge, around 400-450 km.
- **Power:** 231 hp (single motor) or 408 hp (twin motor).
- **Torque:** 330 Nm (single motor) or 660 Nm (twin motor).
- **Key Features:** Coupe-like electric SUV, stylish design, Google built-in, similar performance and safety features to the XC40 Recharge.

- **MG ZS EV:**
 - **Price:** Expected to be in a more affordable range, possibly RM 120,000 - RM 150,000.
 - **Battery Capacity:** Likely around 51 kWh (Long Range).
 - **Range (WLTP):** Expected to be around 320 km (Long Range).
 - **Power:** Around 177 PS (Long Range).
 - **Torque:** Around 280 Nm.
 - **Key Features:** Compact electric SUV, expected to be competitively priced, decent range for its class, practical for urban use.
- **BYD Atto 3:**
 - **Price:** Expected to be competitive, possibly in the range of RM 150,000 - RM 180,000.
 - **Battery Capacity:** Offered in different capacities, e.g., 49.92 kWh and 60.48 kWh.
 - **Range (WLTP):** Up to around 320 km or 420 km depending on the battery.
 - **Power:** 150 kW (204 PS).
 - **Torque:** 310 Nm.
 - **Key Features:** Electric SUV with a distinctive interior design, Blade Battery technology, rotating touchscreen, V2L (Vehicle-to-Load) capability.
- **Porsche Taycan**
 - **Price:** RM 575,000 – RM 1,160,000
 - **Basic Description:** Porsche's first all-electric sports sedan delivering thrilling dynamics.
 - **Engine Type and Size:** Fully electric (various motor configs) **Power Output:** 408 – 761 hp **Torque Output:** Up to 1,050 Nm **Transmission Type:** 2-speed automatic **Key Features:** 800V fast charging, performance battery, Porsche Connect, adaptive air suspension.
- **Jaecoo J6 EV**
 - **Price:** Estimated around RM 180,000 .
 - **Battery Capacity:** 69.8 kWh LFP battery.
 - **Range (CLTC):** Up to 501 km on a single charge.
 - **Power:** 279 hp (205 kW).
 - **Torque:** 385 Nm.
 - **Key Features:** Rugged off-road styling, dual-motor AWD setup, 0–100 km/h in 6.5 seconds, fast charging (30–80% in 30 minutes), spacious 5-seater cabin, modern infotainment system.

<Plug-In Hybrid>

- **Jaecoo J8 PHEV**

- Price: Estimated from RM 195,000.
- Battery Capacity: Specific capacity not disclosed.
- Electric-Only Range (NEDC): Up to 175 km.
- Combined Power Output: 605 hp.
- Torque: 915 Nm.
- Key Features: Flagship 6-seater SUV, luxurious interior, powerful performance with 0–100 km/h in 5.4 seconds, Vehicle-to-Load (V2L) capability, advanced hybrid system.

- **Jaecoo J7 PHEV**

- **Price: RM 158,800 .**
- **Battery Capacity: 18.3 kWh.**
- **Electric-Only Range (WLTP): Up to 106 km.**
- **Combined Power Output: 430 PS (156 PS petrol engine + 190 PS electric motor).**
- **Torque: 230 Nm (petrol engine) + 330 Nm (electric motor).**
- **Key Features: Plug-in hybrid SUV with substantial electric-only range, supports up to 40 kW DC fast charging (30–80% in 20 minutes), modern design, advanced safety features.**

<Performance>

- Mercedes-AMG C 63 S E Performance (W206): The latest generation of the high-performance C-Class from Mercedes-AMG, now featuring a hybrid powertrain for enhanced performance and efficiency.
 - Price: Expected to be significantly higher than the standard C-Class, likely starting around RM 700,000+
 - Engine: 2.0L Turbocharged 4-cylinder petrol engine with an electric exhaust gas turbocharger and a rear-mounted electric motor
 - Transmission: AMG SPEEDSHIFT MCT 9G transmission
 - Key Features: High-performance hybrid powertrain delivering immense power and torque, AMG-specific styling and interior, advanced driving dynamics and technology, sophisticated hybrid system for instant power delivery.

- BMW M3 (G80) / M4 (G82): High-performance sedans (M3) and coupes/convertibles (M4) known for their powerful engines, sharp handling, and track capabilities, while also offering luxury and daily usability.
 - Price: Starting from approximately RM 650,000+ (depending on the specific model and options)
 - Engine: 3.0L M TwinPower Turbo inline 6-cylinder petrol
 - Transmission: 8-speed M Steptronic automatic (manual available in some markets, but less common in Malaysia)
 - Key Features: High-performance engines with significant horsepower and torque, M-specific suspension and braking systems, aggressive styling, luxurious and sporty interior, advanced driving modes and customization options.
- Toyota GR Supra: A legendary sports car with a focus on driving pleasure, featuring a powerful engine and rear-wheel drive, developed in collaboration with BMW.
 - Price: Approximately RM 305,000 - RM 320,000+ (depending on the engine option)
 - Engine Options: 2.0L Turbocharged 4-cylinder petrol or 3.0L Turbocharged 6-cylinder petrol
 - Transmission: 8-speed automatic
 - Key Features: Iconic design, exhilarating performance, precise handling, premium interior, powerful engine options offering different levels of performance.
- Honda Civic Type R (FL5): A high-performance hatchback renowned for its exceptional handling, powerful engine, and track-focused capabilities while still being relatively practical for daily driving.
 - Price: Approximately RM 399,900
 - Engine: 2.0L VTEC Turbocharged 4-cylinder petrol
 - Transmission: 6-speed manual with rev-match control
 - Key Features: Aerodynamic body kit, Brembo brakes, adaptive dampers, high-performance tires, sporty interior with red accents, powerful engine delivering significant horsepower and torque.

- **MINI Cooper S / JCW (John Cooper Works):** Fun and agile hot hatchbacks with distinctive styling and sporty handling, with the JCW being the higher-performance variant.
 - Price: Cooper S starts around RM 260,000+, JCW starts around RM 300,000+
 - Engine: 2.0L Turbocharged 4-cylinder petrol (different power outputs for S and JCW)
 - Transmission: 7-speed Steptronic dual-clutch (Cooper S), 8-speed Steptronic Sport (JCW)
 - Key Features: Iconic MINI design, sharp handling, powerful engine, sporty interior, JCW models feature more aggressive styling and performance upgrades.
- **Volkswagen Golf GTI / R:** Iconic hot hatchbacks known for their blend of performance, practicality, and refinement. The R offers even more power and all-wheel drive.
 - Price: GTI starting around RM 240,000+, Golf R starting around RM 317,000+
 - Engine: 2.0L Turbocharged 4-cylinder petrol (different power outputs for GTI and R)
 - Transmission: 7-speed DSG dual-clutch automatic
 - Key Features: Sporty styling, powerful engine, excellent handling (GTI - front-wheel drive, R - all-wheel drive), comfortable and well-equipped interior, advanced technology.
- **Renault Megane R.S.:** A potent hot hatchback with a strong focus on performance and engaging driving dynamics, often praised for its chassis tuning.
 - Price: (Likely in the range of RM 280,000 - RM 300,000, though availability might be limited as newer models evolve)
 - Engine: 1.8L Turbocharged 4-cylinder petrol
 - Transmission: 6-speed manual or 6-speed EDC dual-clutch automatic
 - Key Features: Sporty and aggressive styling, powerful turbocharged engine, sharp handling with advanced chassis technologies, sporty interior.

- **Subaru WRX / WRX STI:** Rally-inspired performance sedans known for their turbocharged engines, all-wheel drive, and engaging driving experience. The STI is the higher-performance, track-focused version.
 - **Price:** WRX likely starting around RM 260,000+, WRX STI (if available new) starting higher.
 - **Engine:** 2.4L Turbocharged 4-cylinder petrol (WRX), 2.5L Turbocharged 4-cylinder petrol (STI)
 - **Transmission:** 6-speed manual (primarily)
 - **Key Features:** Symmetrical All-Wheel Drive, turbocharged Boxer engine, sporty handling, distinctive styling with a hood scoop and rear wing (STI).
- **Ferrari 812 Superfast :** Ferrari's most powerful front-engine V12 GT car.
 - **Price :** From RM 1,578,000
 - **Engine Type and Size:** 6.5L V12 naturally aspirated
 - **Power Output:** 789 hp **Torque Output:** 718 Nm
 - **Transmission Type:** 7-speed dual-clutch automatic
 - **Key Features:** Rear-wheel drive, rear-wheel steering, manettino drive modes, digital dash.
- **Ferrari SF90 Stradale :** Ferrari's first plug-in hybrid supercar, pushing the limits of performance and electrification.
 - **Price Range :** From RM 1,908,000
 - **Engine Type and Size:** 4.0L V8 twin-turbo + 3 electric motors (PHEV)
 - **Power Output:** 986 hp **Torque Output:** ~800 Nm
 - **Transmission Type:** 8-speed dual-clutch automatic
 - **Key Features:** AWD, advanced aero, eManettino driving modes, 0–100 km/h in 2.5s, fully digital interface.

<Luxury MPVs>

- **Toyota Alphard:**
 - **Description:** The quintessential luxury MPV, renowned for its opulent interior, spaciousness, and focus on passenger comfort, especially in the second row. Often seen as a status symbol.
 - **Price:** Starting from approximately RM 448,000 (prices can vary based on specific features and import status).
 - **Engine:** 2.5L 4-cylinder petrol (current generation), with potential for hybrid options in the future.
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Plush leather upholstery, power-adjustable Ottoman seats in the second row with massage functions, large infotainment screens, premium sound system (often JBL), dual sunroof, power sliding doors and tailgate, advanced climate control, and often a focus on ride comfort and noise insulation.

- **Toyota Vellfire:** Shares many similarities with the Alphard but often features a more sporty or aggressive exterior styling. The interior also emphasizes luxury and comfort.
 - **Price:** Starting from approximately RM 438,000 (prices can vary based on specific features and import status).
 - **Engine:** 2.5L 4-cylinder petrol (current generation), with potential for hybrid options in the future.
 - **Transmission:** CVT (Continuously Variable Transmission)
 - **Key Features:** Similar luxury features to the Alphard, including plush seating, entertainment options, advanced climate control, and a focus on a comfortable and refined passenger experience.

●

- Lexus LM :** Positioned as an ultra-luxury MPV, based on the Alphard/Vellfire platform but with even more opulent interior appointments, advanced technology, and a focus on executive travel. Available in 4-seater configurations with airline-style reclining seats.
 - **Price:** Starting from approximately RM 1,208,000 - RM 1,468,000 (depending on the variant).
 - **Engine:** 2.5L Hybrid (LM 350h), 2.4L Turbo Hybrid with All-Wheel Drive (LM 500h).
 - **Transmission:** E-CVT (LM 350h), 6-speed automatic (LM 500h).
 - **Key Features:** Exquisite leather upholstery, airline-style reclining seats with massage, a large 26-inch rear entertainment screen, Mark Levinson premium audio system, electrically frosted glass partition for privacy, advanced noise cancellation, and a very high level of craftsmanship.
- Hyundai Staria Premium (7-seater):** While the standard Staria offers spaciousness, the 7-seater Premium variant elevates the luxury with more comfortable seating and premium features.
 - **Price:** Approximately RM 366,768 (for the 7-seater Premium variant).
 - **Engine:** 2.2L Diesel
 - **Transmission:** 8-speed automatic
 - **Key Features:** Luxurious and spacious 7-seater configuration with comfortable "Relaxation Comfort Seats" in the second row, premium interior materials, ambient lighting, and a focus on passenger comfort.
- ZEEKR 009:** A fully electric luxury MPV from China, boasting a futuristic design, long electric range, and a focus on a premium and technologically advanced interior.
 - **Price:** Starting from approximately RM 349,800 - RM 359,800.
 - **Powertrain:** Dual Electric Motors
 - **Battery Capacity:** 116 kWh
 - **Range (WLTP):** Up to 582 km
 - **Key Features:** Large OLED infotainment screens, premium Nappa leather seats with massage and ventilation, advanced driver-assistance systems, a high-end audio system, and a spacious, comfortable cabin.

<Ultra-Luxury>

- **Rolls-Royce Spectre EV**
 - **Price:** RM 4,511,280
 - **Basic Description:** Rolls-Royce's first all-electric vehicle, combining luxury craftsmanship with electric mobility.
 - **Engine Type and Size:** Fully electric **Power Output:** ~577 hp **Torque Output:** ~900 Nm **Transmission Type:** Single-speed automatic **Key Features:** Silent power delivery, state-of-the-art digital interface, advanced suspension system, signature Rolls-Royce refinement.
- **Rolls-Royce Ghost**
 - **Price:** RM 1,752,500
 - **Basic Description:** A modern interpretation of Rolls-Royce luxury in a sleek, understated sedan.
 - **Engine Type and Size:** 6.75L V12 twin-turbocharged **Power Output:** ~563 hp **Torque Output:** ~850 Nm **Transmission Type:** 8-speed automatic **Key Features:** Magic Carpet Ride suspension, illuminated grille, rear-wheel steering, high-end bespoke interior.
- **Rolls-Royce Cullinan SUV**
 - **Price:** RM 1,870,000
 - **Basic Description:** The brand's first SUV, offering ultimate luxury with off-road capability.
 - **Engine Type and Size:** 6.75L V12 twin-turbocharged **Power Output:** ~563 hp **Torque Output:** ~850 Nm **Transmission Type:** 8-speed automatic **Key Features:** All-wheel drive, terrain response modes, elevated seating position, opulent cabin materials.
- **Bentley Continental GT**
 - **Price:** RM 783,000 – RM 868,800
 - **Basic Description:** A grand tourer blending refined luxury with thrilling performance.
 - **Engine Type and Size:** 4.0L V8 / 6.0L W12 twin-turbocharged **Power Output:** Up to 626 hp (W12) **Torque Output:** Up to 900 Nm (W12) **Transmission Type:** 8-speed dual-clutch automatic **Key Features:** Rotating center display, 3-chamber air suspension, handcrafted interior, all-wheel drive.
- **Bentley Flying Spur**
 - **Price:** RM 1,800,000
 - **Basic Description:** A luxury limousine with high performance and exquisite comfort.

- **Engine Type and Size:** 6.0L W12 twin-turbocharged **Power Output:** ~626 hp **Torque Output:** ~900 Nm **Transmission Type:** 8-speed dual-clutch automatic **Key Features:** Rear seat entertainment, advanced driver assistance systems, all-wheel steering, ultra-luxurious trim options.
- **Bentley Bentayga SUV**
 - **Price:** RM 708,800 – RM 935,000
 - **Basic Description:** A versatile luxury SUV with premium comfort and performance.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** ~542 hp **Torque Output:** ~770 Nm **Transmission Type:** 8-speed automatic **Key Features:** Air suspension, four off-road settings, luxury interior, cutting-edge infotainment system.
- **Aston Martin DBX SUV**
 - **Price:** RM 818,000 – RM 1,098,000
 - **Basic Description:** Aston Martin's first SUV offering a perfect balance of performance and utility.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** ~542 hp **Torque Output:** ~700 Nm **Transmission Type:** 9-speed automatic **Key Features:** All-wheel drive, adaptive air suspension, luxurious leather upholstery, premium Bang & Olufsen sound.
- **Aston Martin DB12 Coupe**
 - **Price:** RM 1,088,000
 - **Basic Description:** The next-gen grand tourer with technology and power enhancements over the DB11.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** ~671 hp **Torque Output:** ~800 Nm **Transmission Type:** 8-speed automatic **Key Features:** Adaptive dampers, digital cockpit, rear limited-slip differential, handcrafted interior.
- **Aston Martin Vantage Coupe**
 - **Price:** RM 2,370,000
 - **Basic Description:** A sharp-handling sports coupe with bold styling and immense power.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** ~503 hp **Torque Output:** ~685 Nm **Transmission Type:** 8-speed automatic **Key Features:** Lightweight construction, performance suspension, driver-focused cockpit, advanced traction systems.
- **Ferrari Roma**
 - **Price:** RM 968,000

- **Basic Description:** A sleek grand tourer that combines elegance with modern Ferrari performance.
- **Engine Type and Size:** 3.9L V8 twin-turbocharged **Power Output:** 612 hp **Torque Output:** 760 Nm **Transmission Type:** 8-speed dual-clutch automatic **Key Features:** Minimalist interior, F1-style steering, advanced driver assistance, lightweight body design.

- **Lamborghini Huracán EVO**
 - **Price:** RM 1,075,000 – RM 1,478,000
 - **Basic Description:** An evolution of the V10 supercar with refined aerodynamics and performance.
 - **Engine Type and Size:** 5.2L V10 naturally aspirated **Power Output:** 640 hp **Torque Output:** 600 Nm **Transmission Type:** 7-speed dual-clutch automatic **Key Features:** LDVI system, rear-wheel or all-wheel drive options, dynamic steering, updated infotainment.
- **Lamborghini Aventador SVJ**
 - **Price:** RM 2,652,000 – RM 2,925,000
 - **Basic Description:** The final and most extreme form of the Aventador V12 supercar.
 - **Engine Type and Size:** 6.5L V12 naturally aspirated **Power Output:** 770 hp **Torque Output:** 720 Nm **Transmission Type:** 7-speed ISR automatic **Key Features:** ALA active aero, carbon fiber bodywork, high-revving V12, track-oriented performance.
- **Lamborghini Urus SUV**
 - **Price:** RM 1,000,000 – RM 1,425,000
 - **Basic Description:** A high-performance SUV merging Lamborghini DNA with everyday utility.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** 641 hp **Torque Output:** 850 Nm **Transmission Type:** 8-speed automatic **Key Features:** ANIMA drive selector, adaptive air suspension, cutting-edge infotainment, spacious luxury interior.
- **McLaren GT**
 - **Price:** RM 908,000
 - **Basic Description:** A touring-focused supercar with everyday usability and sharp performance.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** 612 hp **Torque Output:** 630 Nm **Transmission Type:** 7-speed dual-clutch automatic **Key Features:** Carbon-fiber structure, large luggage space, luxurious cabin, adaptive dynamics.

- **McLaren 720S**
 - **Price:** RM 2,453,916 – RM 2,655,350
 - **Basic Description:** A lightweight supercar known for its performance and engineering finesse.
 - **Engine Type and Size:** 4.0L V8 twin-turbocharged **Power Output:** 710 hp **Torque Output:** 770 Nm **Transmission Type:** 7-speed dual-clutch automatic **Key Features:** Active aerodynamics, Monocage II chassis, Proactive Chassis Control, butterfly doors.
- **McLaren Artura**
 - **Price:** RM 3,400,000
 - **Basic Description:** McLaren's first series-production hybrid, combining tech and sustainability.
 - **Engine Type and Size:** 3.0L V6 twin-turbo + electric motor (PHEV) **Power Output:** 671 hp **Torque Output:** 720 Nm **Transmission Type:** 8-speed dual-clutch automatic **Key Features:** E-differential, lightweight construction, plug-in hybrid range, McLaren Carbon Lightweight Architecture.
- **Maserati Grecale SUV**
 - **Price:** RM 634,889 – RM 1,100,000
 - **Basic Description:** A stylish compact SUV with Italian flair and modern performance.
 - **Engine Type and Size:** 2.0L turbocharged inline-4 (mild hybrid) **Power Output:** Up to 325 hp **Torque Output:** Up to 450 Nm **Transmission Type:** 8-speed automatic **Key Features:** Digital cockpit, Maserati Intelligent Assistant, dual touchscreens, luxurious interior finishes.
- **Maserati Levante SUV**
 - **Price:** RM 738,800
 - **Basic Description:** Maserati's first SUV delivering performance with signature luxury.
 - **Engine Type and Size:** 3.0L V6 twin-turbocharged **Power Output:** 430 hp **Torque Output:** 580 Nm **Transmission Type:** 8-speed automatic **Key Features:** Skyhook suspension, Q4 AWD, Italian craftsmanship, advanced infotainment system.
- **Maserati GranTurismo Coupe**
 - **Price:** RM 738,800 – RM 878,800
 - **Basic Description:** A timeless grand tourer with high-speed cruising capability.

- **Engine Type and Size:** 4.7L V8 naturally aspirated **Power Output:** 460 hp **Torque Output:** 520 Nm **Transmission Type:** 6-speed automatic **Key Features:** Sport mode, leather-clad interior, Maserati styling, balanced weight distribution.
- **Audi RS e-tron GT**
 - **Price:** RM 819,790
 - **Basic Description:** Audi's flagship electric performance GT combining speed and refinement.
 - **Engine Type and Size:** Dual electric motors **Power Output:** 637 hp **Torque Output:** 830 Nm **Transmission Type:** 2-speed automatic **Key Features:** Quattro AWD, adaptive air suspension, matrix LED headlights, premium sound.
- **Lexus ES 250**
 - **Price:** RM 320,888 – RM 371,888
 - **Basic Description:** A midsize executive sedan offering luxury, reliability, and comfort.
 - **Engine Type and Size:** 2.5L inline-4 naturally aspirated
 - **Power Output:** 204 hp
 - **Torque Output:** 247 Nm
 - **Transmission Type:** 8-speed automatic
 - **Key Features:** Lexus Safety System+, 12.3-inch infotainment, Mark Levinson audio, premium wood trim.
- **Lexus RX 500h F Sport**
 - **Price:** RM 508,888
 - **Basic Description:** A high-performance hybrid SUV combining power, luxury, and efficiency.
 - **Engine Type and Size:** 2.4L turbocharged hybrid **Power Output:** 366 hp **Torque Output:** 550 Nm **Transmission Type:** 6-speed automatic **Key Features:** DIRECT4 AWD, F Sport styling, panoramic sunroof, Lexus Interface system.
- **Range Rover Evoque P250 R-Dynamic**
 - **Price:** RM 475,398
 - **Basic Description:** A compact luxury SUV with sleek design and advanced off-road tech.
 - **Engine Type and Size:** 2.0L turbocharged inline-4 **Power Output:** 249 hp **Torque Output:** 365 Nm **Transmission Type:** 9-speed automatic **Key Features:** Terrain Response 2, ClearSight interior rear-view mirror, Touch Pro Duo interface.
- **Range Rover Sport**
 - **Price:** RM 1,698,000

- **Basic Description:** A performance-focused luxury SUV delivering comfort and capability.
- **Engine Type and Size:** 3.0L inline-6 mild hybrid (MHEV) **Power Output:** Up to 400 hp **Torque Output:** Up to 550 Nm **Transmission Type:** 8-speed automatic
- **Key Features:** Adaptive Dynamics, AWD, Dynamic Air Suspension, Meridian sound system.
- **Porsche Macan**
 - **Price:** RM 433,154 – RM 786,232
 - **Basic Description:** A compact luxury SUV with sporty character and versatility.
 - **Engine Type and Size:** 2.0L – 2.9L turbocharged inline-4/V6 **Power Output:** 265 – 440 hp **Torque Output:** Up to 550 Nm **Transmission Type:** 7-speed PDK dual-clutch
 - **Key Features:** Porsche Traction Management, adaptive suspension, premium infotainment, high-quality materials.
